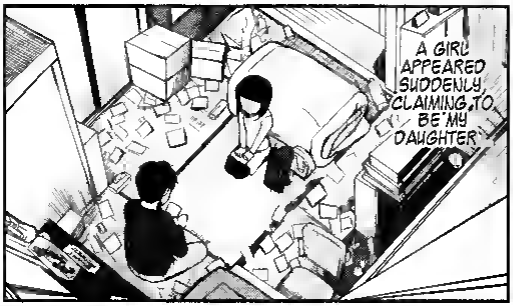
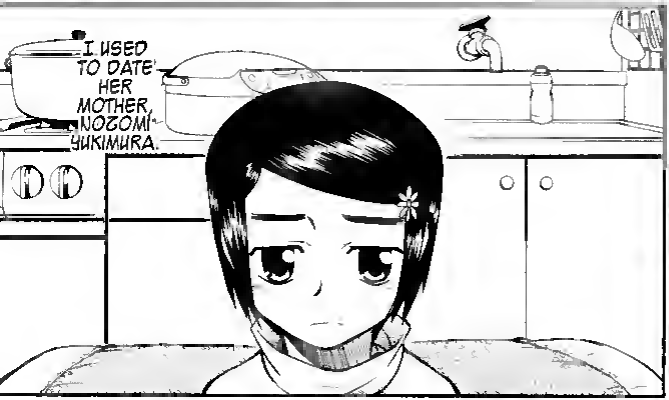
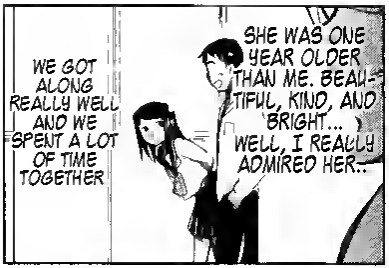
Recognition GO!





ON TOP OF THAT, SHE CAME WITH A LETTER FROM A SENPAI THAT I LIKED IN THE PAST

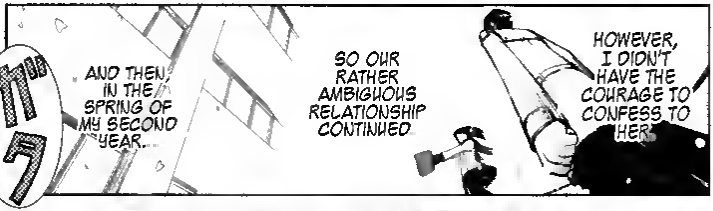
To Kouta-kun



WE GOT ALONG REALLY WELL AND WE SPENT A LOT OF TIME TOGETHER
SHE WAS ONE YEAR OLDER THAN ME. BEAUTIFUL, KIND, AND BRIGHT... WELL, I REALLY ADMIRED HER.

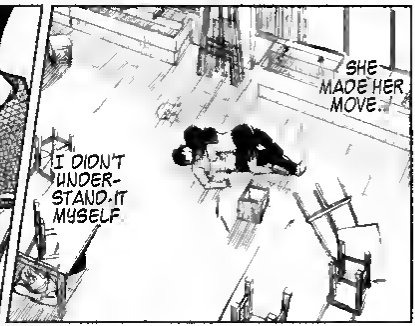
I WAS IN THE ART CLUB, AND WHENEVER I WAS FOCUSED ON PAINTING, SHE WAS THERE.

I SUSPECTED THAT SHE LIKED ME, TOO.



AND THEN, IN THE SPRING OF MY SECOND YEAR...
SO OUR RATHER AMBIGUOUS RELATIONSHIP CONTINUED
HOWEVER, I DIDN'T HAVE THE COURAGE TO CONFESS TO HER.

Mmm



SHE MADE HER MOVE.
I DIDN'T UNDERSTAND IT MYSELF

I WAS IMMATURE, AND I COULDN'T FORGIVE MY FILTHY SELF FOR POLLUTING HER.
I IGNORED HER...
I AVOIDED HER AFTER THAT.

I want you to all to keep that in mind and be nice to her.

Kanau-chan, what's your favorite Shinra manga?

I think "Nikibi" is number one!

T-thank you, Kanau-chan...
If you like, we can be friends.
Yukimura-san!

T-thank you, Misano-san...
Hello there. I'm the class president, Misono Reika.
If you have any problems at all, don't hesitate to come to me.

You shouldn't get too close to that Tamura girl, Yukimura.
Maybe it's not my place to say this, but...
What's wrong, Tamami-chan?
?

You observed her behavior just now, did you not?
Ah, don't misunderstond me, Yukimura.
I'm only saying this for your own good.
!?

That girl's an "OTAKU," you know?
Otaku are disgusting beings. Nothing good will come of being friends with one of them.
Now, let's go sit over there and deepen our friendship.

Yukimura, you're so lucky.
Reika is actually talking to you.
Reika's father is Misono Haruto, the politician.
Her mother is Misono Kyouka, the actress.
You can't even compare her to that otaku girl!

Shall we go? I have some French candy for you.

Sorry, Misono.

Kanau-chan...

Is this some sort of joke?
You prefer that otaku girl to me?
Of course!

Better than Misono Reika.
That otaku girl... better than me.

Tomomi-chan is honest and admits her own faults.
She's much better than the sort of person who'd gang up just to pick on one girl.

Are you saying I, their daughter, am lower than an otaku!?
My father is the politician Misono Haruto and my mother's an actress!
What's so special about politicians anyway?
Just because you're a politician doesn't make you a good person!
You can't write people off just because they're otaku!
That has nothing to do with it!
But I won't forgive you for insulting my father!
I was trying to be nice to you because you just transferred here...
N-no! I'm just saying it doesn't mean anything...
Y-you! Are you insulting my father!?
Wha-!
His daughter is so ill-mannered!
Does your dad have some sort of problem?
They say you're living with your father, Yukimura...
Hmph.

Your dad must be really important, right?

Ah, forgive me.
That couldn't possibly be!
Since you're bold enough to talk about my father...

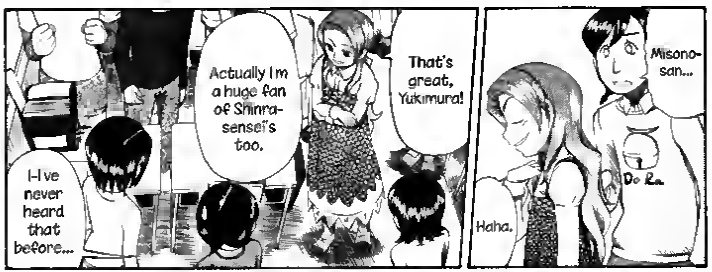
There's been a rumor going around that Shinra-sensei is actually a man!
It's all here in the fanbook I drew!
The author couldn't be a man...
B-but isn't "Nikibi's Magic" a shoujo manga!?



I won't get in the way of his work.
I just want one tiny little glance at his studio.
If you aren't lying...
Then that should be fine, right?

Uhh...
Kanau-chan! Can I come too?
For a famous mangaka his dwellings sure are shabby!
SNEER

I JUST HOPE FATHER IS OUT...
WH- WHAT TO DO...

You mean you don't know, Misono?
Lots of mangaka deliberately live in this sort of place to boost their creativity!

That's Otaku Power for you.

Oh, Kanau!

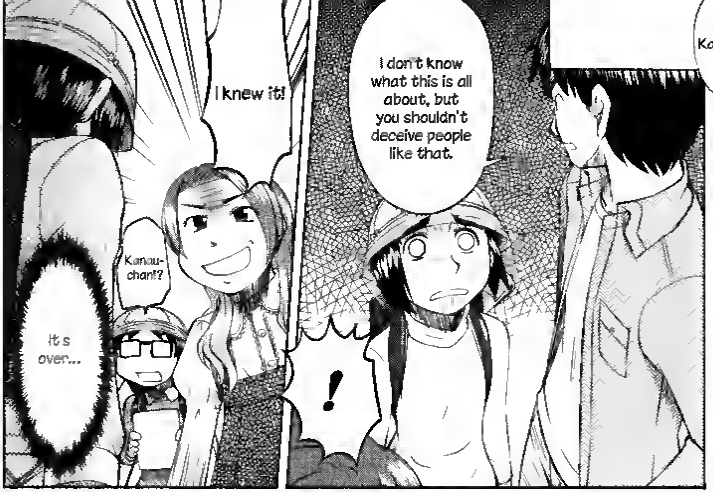
Shut up already, Tamura.
Ah!
Make Azark-sama fall in love with Lindo...kyaa!
That famous mangaka, Clearasil Shinra?
Pleased to meet you, sir. I'm Kanau's classmate. My name is Misono Reika.
Please forgive me for asking, but...
Are you really...
She asked me what your job was and I told her you were a mangaka
Is that what this is about...

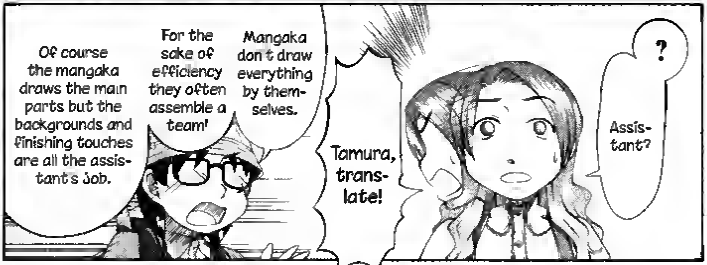


Kanau.
I don't know what this is all about, but you shouldn't deceive people like that.
!
I knew it!
Kanau-chan!?
It's over...

Yukimura! How dare you try to fool us!
Telling us your dad draws "Nikibi's Magic", what a huge lie!

Ah, no.
That's not a lie.
Eh!?
Huh!?
H-how!? "Nikibi's Magic" is Shinra-sensei's manga!
Of course it is.
But what Kanau said is that I'm the one who draws it, right?

I'm Shinra-sensei's assistant.
So it's not a lie to say I draw "Nikibi."



Of course the mangaka draws the main parts but the backgrounds and finishing touches are all the assistant's job.
For the sake of efficiency they often assemble a team!
Mangaka don't draw everything by themselves.
Tamura, translate!

I'm sorry she raised your expectations so high, though.

I guess Kanau-chan misunderstood things a bit, but...
It's certainly true that I draw "Nikibi."

May we see your studio!?
Y-yeah, that's right!
I really want to see your studio!
I don't mind.
But you can't meet Shinra-sensei, is that okay?
Yes yes yes yes yes yes!

It's the real thing!!!
Ah, Morito-san.
These kids are Kanau's friends. They're big fans of Shinra-sensei's.

I couldn't tell them...
My father's an ecchi mangaka!

So... you did see it...

My main job is assisting Shinra-sensei.
And as a hobby I draw my own manga.
R-really...
Haha.
You got the wrong idea, Kanau.
That manga isn't mine.
I'm just finishing it up for a friend.

But it's true that I do draw naughty stuff sometimes...
Once you enter this world you start forgetting what things are like in the real world...

Hm... If you want to do that, go right ahead.
